## **Clark County Commissioner Justin Jones to Highlight Tourism Impact on Chinatown as part of Spring Mountain Corridor Redevelopment Project**

Las Vegas (July 10, 2024): With summer tourism in full swing in Las Vegas, Clark County Commissioner Justin Jones will be taking part in a **“Food & Culture Tour” at Shanghai Plaza located at 4284 Spring Mountain Road, Las Vegas NV 89012 on Tuesday July 16th from 4PM - 6PM**, During this walking tour, Commissioner Jones and his team will stop by a number of restaurants, cafes and shops inside Shanghai Plaza to talk with both business owners and visitors and discuss ways to improve the Spring Mountain Corridor for years to come.

The restaurants taking part in the tour will be offering small bites for Commissioner Jones and his team while they talk about different issues impacting tourists and locals alike, including parking, crime and traffic safety. Members of the media are invited to take part in these conversations and interview both Commissioner Jones and the business owners.

This latest outreach initiative is part of the ongoing Spring Mountain Corridor Redevelopment Project, a visionary plan co-created by the community, aimed to position the Chinatown area as a must-visit destination for locals and visitors from across the country and around the world.

For this event, the media is asked to arrive by 3:45 PM and meet organizers at a District F tent area that will be set in the middle of the Shanghai Plaza parking lot. Redevelopment project consultants will be on hand to engage with the community and hand out public surveys.
