**Clark County Kicks Off Spring Mountain Corridor Redevelopment Plan  
During AAPI Heritage Month with Business & Community Leaders**

Las Vegas: Clark County Commissioner Justin Jones and team members are holding a kick-off event for the Spring Mountain Corridor Redevelopment Plan coming up next month. This event is scheduled for **Friday May 3, 2024 from 10AM - 11AM** in the parking lot of Chinatown Plaza located at 4205 Spring Mountain Road, Las Vegas NV 89102

Initiated by Clark County, the Spring Mountain Corridor Redevelopment Plan aims to create a foundation and a vision for this iconic neighborhood in the heart of Las Vegas. Centered on placemaking and placekeeping, this plan is dedicated to create a thriving, culturally authentic, and dynamic community for residents, families, and small businesses. The plan is to also help position the Spring Mountain Corridor as a must-visit destination for tourists and locals alike, with a focus on unique dining experiences, cultural attractions, and vibrant street life.

The launch event will bring together stakeholders, community members, local small business owners and residents along the corridor to celebrate the beginning of a new chapter for Spring Mountain Road.

In the next 18 months, Commissioner Jones' office and consultants will work with the community to create a community-driven redevelopment plan that continues to celebrate the Asian heritage while advocating for revitalization of the area into a dynamic, vibrant, and safe neighborhood.
